Whenever restoration is to be undertaken, the Association may levy and collect assessments from each Owner of a Unit in proportion to each Owner's undivided interest in the Common Elements, payable over such period as the Association may determine, to cover the costs and expenses of Restoration to the extent not covered by available funds. Such special assessments shall be secured by a lien on the Unit of each such Owner as in the case of regular assessments. Notwithstanding any other provisions in this Declaration, in the case of Substantial Destruction, Substantial Condemnation or Substantial Obsolescence, any such special assessment shall not be a personal obligation of any such Owner who did not consent to restoration but, if not paid, may be recovered only by foreclosure of the lien against the Unit of such Owner.

10.6 Receipt and Application of Condemnation Funds. All compensation, damages or other proceeds constituting awards in condemnation or eminent domain shall be payable to the Association. The amount thereof allocable to compensation for the taking of or injury to the individual air space unit of any particular Unit or to improvements of an Owner therein shall be apportioned to the Owner of that Unit. The balance of the award shall be applied to costs and expenses of restoration, if undertaken, and to the extent not so applied shall be allocated as follows. Any portion of the award allocable to the taking of or injury to Common Elements shall be apportioned among all Owners of such Common Elements in the same proportion as the initial purchase price paid for such Unit by the initial Owner upon the acquisition thereof from the Declarant bears to the sum of all of the initial purchase prices paid by the initial Owners of all Units upon their acquisition from the Declarant. Any amounts allocable to severance damages shall be apportioned to Owners of Units with individual air space units which were not taken or condemned in the same proportion as the initial purchase price paid for such Unit by the initial Owner upon the acquisition thereof from the Declarant bears to the sum of all of the initial purchase prices paid by the initial Owners of all Units upon their acquisition from the Declarant. Any amounts allocated to consequential damages or for other purposes shall be apportioned as the Association determines to be equitable under the circumstances.

10.7 Reorganization in the Event of Condemnation. In the event all of the individual air space unit of a Unit is taken in condemnation, the Unit containing that individual air space unit shall cease to be part of the Property, the Owner thereof shall cease to be a member of the Association, and the undivided interest in Common Elements appurtenant to that Unit shall automatically become vested in the Owners of the remaining Units in proportion to their respective undivided interests in the Common Elements.

11. Maintenance, Repairs and Replacements. Each Owner shall furnish and be responsible for, at his own expense, all of the maintenance, repairs and replacements within his own Unit and of any portion of the air-conditioning/heating system which exclusively services his Unit; and each Owner shall keep his patio areas in a neat, clean and attractive condition. If, due to the willful

or negligent act of an Owner or a member of his family or household pet or guest or other authorized occupant or visitor of such Owner, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or maintenance, repairs or replacements shall be required which would otherwise be at the common expense, then such Owner shall pay for such damage and for such Maintenance, repairs and replacements as may be determined by the Board, to the extent not covered by the Association's insurance. Such obligation of payment and performance shall be payable together with interest, costs and attorneys fees, and secured by a lien, as provided in Paragraph 7 with respect to Common Expenses. An authorized representative of the Board, or of the manager or managing agent of the Building, and all contractors and repairmen employed or engaged by the Board or such manager or managing agent, shall be entitled to reasonable access at reasonable times to each of the Units as may be required in connection with maintenance, repairs and replacements of or to the Common Elements or any equipment, facilities or fixtures affecting or serving other Units and the Common Elements.

12. Alterations, Additions or Improvements. No alterations of any Common Elements or any additions or improvements thereto or any alterations, additions or improvements to the patios associated with each unit shall be made by any Owner without the prior written approval of the Board or Architectural Control Committee appointed by the Board. Any Owner may make non-structural alterations, additions or improvements within the interior of his Unit, without the prior written approval of the Board, but such Owner shall be responsible for any damage to other Units, the Common Elements, or the property, as the result of such alteration, addition or improvement. In addition to the required approval of the Board, there shall be no structural alterations or additions to the Building without the prior approval of a majority of the Owners given at a regular or special meeting of the members of the Association, and the prior approval of the holders of all First Mortgages and the beneficiaries under all first trust deeds acquired in good faith and for value then encumbering one or more of the Units. Unless otherwise determined at any such meeting, the cost of such alterations or additions shall be paid by means of a special assessment against the Owners in the proportion of their respective undivided fractional interests in the Common Elements. Such special assessments shall be secured by the lien provided for in Paragraph 7 of this Declaration.

13. Decorating. Each Owner, at his own expense, shall furnish and be responsible for all of the decorating within his own Unit from time to time including painting, wallpapering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lamps and other furniture and interior decorating. Each Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floors and ceilings and the surfaces within his Unit, and such Owner shall maintain such surfaces in good condition at his sole expense as may be required from time to time, which said maintenance and use shall be subject to the rules and regulations of the Association and each such Owner shall have the right to decorate such surfaces from time to time as he may see fit and at his sole expense. Decorating of the Common Elements (other than interior surfaces within the Unit as above provided), and any

redecorating of the Units to the extent made necessary by any damage to existing decorating of such Units caused by maintenance, repair or replacement work on the Common Elements by the Association shall be furnished by the Association as part of the common expenses.

14. Encroachments. If any portions of the Common Elements shall actually encroach upon any Unit, or if any Unit shall actually encroach upon any portions of the Common Elements, or if any Unit entrance way providing ingress and egress thereto shall actually encroach upon another Unit, as the Common Elements and the Units are shown by the survey comprising the Plat, whether such encroachment results from the initial or existing construction or from subsequent repair, reconstruction, settlement or shifting, there shall be deemed to be mutual easements in favor of the Owners of the Common Elements and the respective Owners involved to the extent of such encroachment so long as the same shall exist, provided, however, that no such easement shall result from the willful misconduct of the Owner claiming entitlement thereto.

15. Power to Purchase. The Board shall have the power and authority to bid for and purchase any Unit at a sale pursuant to a mortgage foreclosure, trustee's or beneficiary's sale under a trust deed, or a foreclosure of any lien for assessments provided for in this Declaration, or at a sale pursuant to an order or direction of a court, or other involuntary sale, upon the consent or approval of a majority of Owners present and voting at a special meeting of the members of the Association or in such other manner as may be deemed by the Board to be necessary or expedient. The Board shall have power and authority to finance such purchase of a Unit by mortgage, common assessment or any other financing arrangement that shall be deemed expedient by the Board.

16. Use and Occupancy Restrictions. No part of the Property shall be used for other than housing and the related common purpose for which the Property was designed, except that Declarant reserves the right to maintain sales offices, model units, and signs on the Property, together with rights of ingress and egress therefrom and to do such other acts as maintain such other facilities as are incidental to the development and sale of the Units, until all Units shall have been sold and conveyed by Declarant. Each Unit or any two or more adjoining Units used together shall be used as a residence or such other use as permitted by this Declaration and for no other purpose. That part of the Common Elements separating any two or more adjoining Units used together as aforesaid may be altered if prior approval is obtained from the architectural control committee as required by paragraph 17 herein, to afford ingress and egress to and from such adjoining Units provided all expense of making such alterations is paid in full by the Owner and an easement is hereby granted for such purpose. The foregoing restrictions as to residence shall not however be construed in such manner as to prohibit an Owner from (a) maintaining his personal and/or professional library therein, (b) keeping his personal business or professional records or accounts therein, (c) holding his personal business or professional telephone calls or correspondence therefrom, or (d) from obtain a valid Home Occupation as set

forth in the City of Phoenix Zoning Ordinance. Such uses are expressly declared customarily incident to the principal residential use and not in violation of this Declaration.

The Common Elements shall be used only for access, ingress and egress to and from the respective Units by the Owners residing therein and their guests, household help and other authorized visitors and for such other purpose as are incidental to the residential use of the Units. The use, maintenance and operation of the Common Elements will not be obstructed, damaged or unreasonably interfered with by any Owners.

No poultry shall be kept in or upon the Property; all dogs shall be kept leashed when outside the Unit or its appurtenant patio; and no Owner shall keep or maintain any thing including but not limited to pets and other animals or cause or suffer any act or condition on the Property which materially impairs any easement or right of, or otherwise materially and adversely affects or unreasonably interferes with the use and enjoyment of their Unit and the Common Elements by, other Owners or Occupants. No motor vehicle including but not limited to motorcycles and bikes, shall operate or be operated upon or adjacent to the Property in an unreasonably loud or disturbing manner. No items shall be conspicuously stored in any patio. The Association may otherwise regulate the use and occupancy of the Property and the Units therein by reasonable Rules and Regulations of general application.

No structures of a temporary character shall be permitted on the property, no tents, shacks, or barns, and no trailers except as provided elsewhere, shall be permitted on the property either temporarily or permanently. All fences, walls or gates built by unit owners in addition to those originally built by the developer shall conform to and match the walls, fences and gates as originally placed on the property and shall be subject to architectural control committee approval. However, nothing in this Declaration shall be deemed to prevent any Unit Owner from enclosing his patio area with a wall or fence from three (3) feet in height but not to exceed the height of the initial divider wall built by the developer, as long as such wall or fence continues in the same architectural style as the rest of the walls and fences on the Property. Such walls and fences to enclose patio areas may be built without prior Board or Architectural Control Committee approval.

No sign, other than a name and address sign, of any nature whatsoever shall be displayed or placed on any Unit, in any window or on any part of the property. No "For Sale" or "For Rent" signs of any nature whatsoever shall be permitted on any part of the property and no other signs or graphics shall be permitted on any of the Common Elements without prior written consent of the Board or as directed by the Board. These provisions do not apply to the Declarant or nominee or assigns during the period prior to any sales program or during a sales program until the last Unit is sold. A master for sale sign may be placed on the property with a telephone number to call for information.

19781010_DKT_13205_331 30

Except as may be initially installed by Declarant, no spotlights, flood lights or similar type of high intensity lighting shall be placed or utilized upon any building or structure or balcony or patio which in any way will allow light to be directed or reflected on any Unit or the Property or the Common Elements, or any part thereof, without the written authorization of the Board. Other types of low intensity lighting which do not disturb the Owners or other occupants of the Property shall be allowed.

Only commonly accepted household pets may be kept in a Unit, provided that such commonly accepted household pets are not kept, bred or maintained for any commercial purposes, and provided further, that the Board shall have the right to regulate the number and kind of pets kept in a Unit. Pets shall not be allowed loose or unsupervised on any part of the Property and walking of pets shall be allowed only on such portions of the Property as the Board may prescribe by its rules and regulations.

If the Board determines that any vehicle (including but not limited to a motorbike or motorcycle) is creating loud or annoying noises by virtue of its operation within the Property, such determination shall be conclusive and final that the operation of such vehicle is a nuisance and said operation, upon notice by the Board to the owner or operator thereof shall be prohibited within the Property.

No window air conditioners or portable units of any kind shall be installed in any Building.

Except as may be installed by Declarant, no radio, television or other antennas of any kind or nature shall be placed or maintained upon any Unit or Building unless approved in writing by the Board.

Without limitation of any other provision of this Declaration, interior window dressings, whether curtains, shades, shutters or otherwise, shall be lined with white so as to create a uniform appearance from the exterior.

Without limitation of any other provision of this Declaration, all fencing, walls, gates or other similar structures hereafter erected shall be identical in appearance and quality to the existing wrought iron fences enclosing and immediately adjacent to the swimming pools, except as some other design may be approved by the Board of Directors or the Architectural Committee pursuant to Section 17 of this Declaration. **(Added by Amendment One)**

Notwithstanding anything contained herein to the contrary or otherwise, none of the use restrictions contained herein nor any other restriction contained in this Declaration shall be construed or deemed to limit or prohibit any act of Declarant, **the Developer or any nominee of either of them (Added by Amendment One)**, or their employees, agents, and

subcontractors, or parties designated by them in connection with the construction, completion, or sale or leasing of the Units.

17. Architectural Control. Unless otherwise provided herein, no building, fence, wall, antenna, tower, awning, sign or other structure of any kind or character shall be commenced, erected or maintained upon the Property, nor shall any exterior addition, change or alteration be made thereto or therein, and no additions to, changes in, or alterations of landscaping, grade or drainage shall be made, until the plans and specifications showing the nature, kind, color, shape, height, materials, location or other material attributes of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this paragraph will be deemed to have been fully complied with.

18. Party Walls. The rights and duties of the Owners of Units within the Development with respect to party walls shall be governed by the following:

(a) Each wall, including patio walls, which is constructed as part of the original construction of any structure, any part of which is placed on the dividing line between separate Units, shall constitute a party wall. With respect to any such wall, each of the adjoining Owners shall assume the burdens and be entitled to the benefits of these restrictive covenants and, to the extent not inconsistent herewith, the general rules of law regarding party walls shall be applied thereto.

(b) In the event any such party wall is damaged or destroyed through the act of one adjoining Owner, or any of his guests, tenants, licensees, agents or members of his family (whether or not such act is negligent or otherwise culpable) so as to deprive the other adjoining Owner of the full use and enjoyment of such wall, then the first of such Owners shall forthwith proceed to rebuild or repair the same to as good condition as formerly without cost to the adjoining Owner.

(c) In the event any such party wall is damaged or destroyed due to ordinary wear-and-tear and deterioration from lapse of time, or by any cause other than the act of one of the adjoining Owners, his agents, tenants, licensees, guests or family, then in such event both such adjoining Owners shall proceed forthwith to rebuild or repair the same to as good condition as formerly at their joint and equal expense.

(d) Notwithstanding any other provision of this paragraph, and Owner who by his negligent or willful act causes any party wall to be exposed to the elements shall bear the whole

cost of furnishing the necessary protection against such elements.

(e) The right of any Owner to contribution from any other Owner under this paragraph shall be appurtenant to the land and shall pass to such Owner's successors in title.

(f) In addition to meeting the other requirements of this declaration and of any building code or similar regulations or ordinances, and Owner proposing to modify, make additions to or rebuild his Unit in any manner which requires the extension or other alteration of any party wall shall first obtain the written consent of the adjoining owner.

(g) In the event of a dispute between Owners with respect to the repair or rebuilding of a party wall or with respect to the sharing of the cost thereof, then upon written request of one of such Owners addressed to the Association, the matter shall be submitted to arbitration under such rules as may from time to time be adopted by the Association. If no such rules have been adopted, then the matter shall be submitted to three arbitrators, one chosen by each of the Owners and the third by the two so chosen, or if the two arbitrators cannot agree as to the selection of the third arbitrator within five (5) days, then by any Judge of the Superior Court of Maricopa County, Arizona. A determination of the matter signed by any two of the three arbitrators shall be binding upon the Owners, who shall share the cost of arbitration equally. In the event one party fails to choose an arbitrator within ten (10) days after receipt of a request in writing for arbitration from the other party, then said other party shall have the right and power to choose both arbitrators.

(h) These covenants shall be binding upon the heirs and assigns or any Owners, but no person shall be liable for any act or omission respecting any party wall except such as took place while an Owner.

19. Entry by Board or its Agent. The Board of Directors of the Association or its authorized agent may enter any Unit when any member of the Board of Directors or its authorized agent deems it necessary for the protection and preservation of that Unit or other Units in the development. If it becomes necessary to break into a Unit because no key or means of access was provided by the resident or Owner in the manner specified herein, the Association, its directors, officers and agents shall not be liable for any damage done to the Unit as a result of the exercise of this right of entry. The party exercising this right of entry shall see that adequate measures are taken to secure the Unit until either the Owner or resident shall be notified that the Unit has been entered. Each resident or Owner shall either (1) leave a key with the manager of the Association or (2) leave a key with another resident and inform the manager in writing of the name of the resident to whom a key has been given. In the event the resident to whom a key has been given is not available at the time it is necessary to exercise this right of entry, any member of the Board of Directors or its authorized agent may enter the Unit pursuant to the conditions stated above.

20. Roof Leaks or Repairs, The Association shall be responsible to properly maintain and promptly pay for repair of all leaks or other damage to the roofs of any of the buildings located on the parcel.
21. Copy of Declaration to New Members. The Board of Directors shall have the responsibility to give each new purchaser or a Unit herein a copy of this Declaration and any and all amendments thereto. However, the failure of the Board to provide such new purchaser with a copy of this Declaration shall not be construed as relieving the new Owner from complying with this Declaration nor a waiver of any of the rights, conditions or restrictions stated in this Declaration. Additionally, failure of the Board of Directors to provide the new Owner with a copy of this Declaration shall not create any liability on the part of the Association, the Board of Directors or their authorized agents.
22. Remedies. In the event of any default by any Owner under the provisions of the Act, this Declaration, the Articles, the Bylaws, or the rules and regulations of the Association, the Association, or its successors or assigns, or the Board, or its agents, shall have each and all of the rights and remedies which may be provided for in the Act, this Declaration, the Articles, the Bylaws or said rules and regulations, or which may be available by law, and may prosecute any action or other proceedings against such defaulting Owner and others for enforcement or foreclosure of its lien and the appointment of a receiver for the Unit without notice, without regard to the value of such Unit or the solvency of such Owner, or for damages or injunction, or specific performance, or for judgment for payment of money and collection thereof, or the right to take possession of the Unit and to rent the Unit and apply the rents received to payment of unpaid assessments and interest accrued thereon, and to sell the same as hereinafter in this paragraph provided, or for any combination of remedies or for any other relief. The proceeds of any such judicial sale shall first be paid to discharge court costs, other litigation costs including but without limitation reasonable attorney's fees, and all other expenses of the proceeding and sale, and all such items shall be taxed against the defaulting Owner in a final judgment. Any balance of proceeds after satisfaction of such charges and any unpaid assessments hereunder or any liens shall be paid to the Owner. Upon the confirmation of the sale, the purchasers thereupon shall be entitled to a deed to the Unit and to immediate possession of the Unit and may apply to the court for a writ of restitution for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the judgment shall so provide, that the purchaser shall take the interest in the property sold subject to the Declaration. All expenses of the Association in connection with any such action or proceeding including court costs and reasonable attorney's fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the rate of nine percent (9%) per annum until paid, shall be charged to and assessed against such defaulting Owner and shall be added to and deemed part of his respective share of the common expenses and the Association shall have a lien for all of the same, as well as for nonpayment of his respective share of the common expenses, upon the

Unit of such defaulting Owner and upon all of his additions and improvements thereto. In the event of any such default by any Owner, the Association and the Board and the manager or managing agent, if so authorized by the Board, shall have the authority to correct such default and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Owner and such defaulting Owner and such assessment shall constitute a lien against the defaulting Owner's Unit. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Association or the Board. The liens provided for in this paragraph 25 shall be junior to prior first mortgages and first trust deeds, and shall be foreclosed, in the same manner as the lien provided for in paragraph 7 of this Declaration.

If any Owner (either by his conduct or by the conduct of any other occupant of his Unit) shall violate any of the provisions of the Declaration, the Articles or the Bylaws or the rules and regulations, as then in effect; and such violation shall continue for ten (10) days after notice in writing from the Board or shall occur repeatedly during any ten (10) day period after written notice or request to cure such violation from the Board, then the Board shall have the power to file an action against the Owner or occupant requiring the defaulting Owner to comply with the provisions of this Declaration, the Articles or the Bylaws or the rules and regulations, and granting other appropriate relief including money damages. Anything to the contrary herein notwithstanding, any breach of any of the covenants, restrictions, reservations, conditions and servitudes provide for in this Declaration, or any right of re-entry by reason thereof, shall not defeat or adversely affect the lien of any mortgage or deed of trust made in good faith and for value upon any Unit and its appurtenant undivided interest in the Common Elements, but except as herein specifically provided, each and all of said covenants, restrictions, reservations, conditions and servitudes shall be binding upon and effective against any lessee or Owner of a Unit whose title thereto is acquired by foreclosure or otherwise. In the event any Owner shall be in arrears in the payment of any amount due under any of the provisions of this Declaration for a period of fifteen (15) days said Owner's right to vote as a Member of the Association shall be suspended and shall remain suspended until all payments are brought current and all defaults cured.

23. Water Meters. Each building shall have one water meter. The Association shall pay for all water bills for the parcel. An amount for said water bills shall be included in the assessment.

24. Amendment. The provisions of this Declaration may be changed, modified or rescinded by an instrument in writing setting forth such change, modification or rescission, signed by Owners owning not less than two-thirds (2/3) of the total ownership of the Common Elements and acknowledged; provided, however, that the holders of all First Mortgages, and the beneficiaries under all first trust deeds, of record against one or more of the Units acquired in good faith and for value shall have consented in writing to each such change, modification or rescission, provided, further, that such consent shall not be withheld unreasonably or in bad

faith.

Notwithstanding the provisions of the foregoing paragraph, if the Act, this Declaration, the Articles or the Bylaws require the consent or agreement of all or a specified percentage exceeding two-thirds (2/3) of Owners and/or lien holders and/or trustees and/or beneficiaries under trust deeds, for any action specified in the Act or this Declaration, then any instrument changing, modifying or rescinding any provision of this Declaration with respect to such action shall be signed by all or such specified percentage of the Owners and/or all lien holders and trustees and/or beneficiaries under trust deeds, or both, as required by the Act or this Declaration.

Anything to the contrary herein notwithstanding, until such time as deeds to all of the Units shall have been delivered by Declarant to purchasers thereof, Declarant reserves the right to amend this Declaration, including the description of the Buildings, the Units and the Common Elements, provided that no such amendment shall have the effect of changing the cubic content space of any Apartment not owned by Declarant (except as minor changes may be necessary in order to more accurately describe the boundaries of the Unit), or of changing the interest which each Unit bears in the Common Elements.

The change, modification or rescission whether accomplished under any of the provision of this paragraph 24 shall be effective upon recording such instrument, provided, however, that no provisions in this Declaration may be changed, modified or rescinded so as to conflict with the provisions of the Act.

25. Notices. Notices provided for in this Declaration or the Bylaws shall be in writing and shall be addressed to the Association or the Board or any Owner, as the case may be, _____, Phoenix, Arizona, or at such other address as hereinafter provided. The Association or the Board may designate a different address or addresses for notices to them respectively by giving written notice of such change of address to all Owners at such time. Any owner may also designate a different address or addresses for notices to him by giving written notice of his change of address to the Association. Notices addressed as above shall be deemed delivered when mailed by united States registered or certified mail, or when delivered in person with written acknowledgment of the receipt thereof.

26. Severability. If any provisions of this Declaration, the Articles or the Bylaws or the rules and regulations, or any section, clause, sentence, phrase or word, or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Declaration, the Articles and Bylaws, or the rules and regulations, and of the application of any such provision, section, sentence, clause, phrase or word in any other circumstances, shall not be affected thereby and the remainder of this Declaration, the Articles or Bylaws, or the rules and regulations, shall be construed as if such invalid part were never included therein.

27. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue until twenty-one (21) years after the death of the survivor of the new living descendants of the President of the United States, James Carter and the Governor of Arizona, Bruce Babbitt.

28. Rights and Obligations. Each grantee of Declarant, by the acceptance of a deed of conveyance, or each purchaser under any contract for such deed or conveyance, or each purchaser under any agreement of sale, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Declaration, and all rights, benefits and privileges of every character hereby granted, created, reserved or declared, and all impositions and obligations hereby imposed shall be deemed and taken to be covenants running with the land and equitable servitudes, and shall bind any person having at any time any interest or estate in said land, and shall inure to the benefit of such grantee, purchaser or person in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance, purchase contract or other instrument of transfer.

29. Performance or Relief. After the date hereof, each party who acquires any interest in all or any part of the property described herein further agrees that, upon such acquisition of any interest in all or part of the real property, said acquiring party shall look only to the other subsequent property owner or owners acquiring an interest in said property for any performance or relief deemed equitable or necessary for the enforcement of the covenants, conditions and restrictions contained herein.

30. Utility, Repair and Maintenance Easements. Notwithstanding any other provisions hereof, there is hereby created a blanket easement upon, across, over and under the parcel herein described and Common Elements for ingress, egress, installation, replacing, repairing and maintaining all common elements including utility and service lines and systems, including without limitation water, sewer, gas, telephone, electricity, television cable and communication lines and systems. By virtue of this easement, it shall be expressly permissible for the providing utility or service company to install and maintain facilities and equipment on said property and to affix and maintain wires, circuits and conduits on, in and under the roofs and exterior walls of the buildings. Notwithstanding anything to the contrary contained in the paragraph, no such utility and service line or system may be installed or relocated on said property except as initially programmed and approved by Declarant, or as thereafter approved by Declarant or by the Board of Directors of the Association. This easement shall in no way affect any other recorded easements on the property.

31. First Mortgagee Protections. Unless all holders of First Mortgage liens on individual

Units have given their prior written approval, the Association shall not be entitled to:

- (a) Change the pro rata interest or obligations of any Unit for purposes of levying assessments and charges and determining shares of the Common Elements and proceeds of the Project.
- (b) Partition or subdivide any Unit or the Common Elements of the Project.
- (c) By act or omission seek to abandon the condominium status of the Project except as provided by law in case of substantial loss to the Units and Common Elements of the Project.

Any institutional lender who is the holder of a First Mortgage who comes into possession of a Unit pursuant to the remedies provided in the Mortgage, foreclosure of the Mortgage or deed (or assignment) in lieu of foreclosure, shall, as provided in Paragraph 15 of this Declaration, be exempt from any "right of first refusal".

The holder of a First Mortgage is entitled to written notification from the Association of any default by the Mortgagor of such Unit in the performance of such Mortgagor's obligations under the Property documents which is not cured within thirty (30) days. The first Mortgagee shall have the right to examine all books and records of the Association.

32. Professional Management Agreement. Any Agreement for professional management of the Horizontal Property Regime or any other contract providing for services to be performed by the developer, sponsor or builder to the Homeowners Association, shall provide for termination by either party without cause or without payment of a termination fee on ninety (90) days written notice. Furthermore, no contract or agreement with a professional management company to manage the Association or any other agreement or contract providing for services by the developer, sponsor or builder to the Homeowners Association shall be of a duration in excess of three years.
