

TO GLENROSA ESTATES HOMEOWNERS

11/30/2018

In an effort to maintain the current monthly assessment and to continue to make improvements to the community the Board of Directors has hired a water metering company to install water meters to each individual unit.

Each individual unit will be responsible to pay their own water bill. The monthly assessment will pay for improvements and the common area water going forward.

We appreciate everyone's cooperation!

THANK YOU FOR YOUR SUPPORT

The Board of Directors,

Carolyn Mahoney, President

Grace Colbert, Secretary

Steve Fitzgerald, Treasurer

Ron Herb, Member at Large
